

Rebuilding Together Pittsburgh's 16th Anniversary Rebuilding Day Event

Dear Friends,

Let Rebuilding Together Pittsburgh make your volunteer experience and charitable giving the best experiences ever by committing to our 16th Rebuilding Day Event scheduled for **April 26, 2008**. By pledging your help and support today, you will commit to repairing and renovating homes throughout the county where hundreds of our region's oldest citizens reside. Homes that without RTP's services would continue to deteriorate leaving elderly homeowners with unsafe electrical service, inadequate plumbing, no hot water, gas leaks, crumbling walls and ceilings and a roof that does not keep out the cold, rain and animals.

Mark your calendars to join RTP as we unite our efforts in the Polish Hill and Uptown neighborhoods and several scattered sites throughout the county.

Specifically, we need your help to make this event successful and productive. Below are suggestions on how you can help make affordable and safe housing a priority for individuals in Pittsburgh who are living on extremely low incomes in some of the oldest housing in the region.
